The impact of your support

We believe that the industry can be a united force for good.

As a guest or sponsor of IICF's Annual Gala Dinner, you will help change lives by raising essential funds for future community grants to social mobility charities nominated by the industry.

Each £5,000 collectively raised could:

fund 1,000 books will give hundreds of children the gift of literacy,

allow 50 high-school students at risk of exclusion to join mentoring sessions and increase their likelihood of staying in school by 65% or

help 1 young man complete the year-long Key4Life programme, empowering him to transition from prison into meaningful employment.

"I used to think boys were just better at maths. But now, it's like, we go to the same school, we do the same subjects – so if you can do it, I can do it."

Linah, an alumni of The Access Project

"The skills Amaze has taught me will help me and stay with me for life."
